Subject:- Recognition of All India Diploma in Engineering.

You would kinly recall my visit to you about two weeks back inconnection with the recognition of the All India Diploma in Engineering by your Goverrment for the purpose of recruitment to the Gazetted engineering posts under your Government. The following State Goverments have recognised this diploma as equivalent to a degree in Engineering awarded by recognised universities:

1. Assam	10. Madya Pradesh,	19. Hyderabad
2.Andamans,	11. Manipur,	
3.Bihar,	12. Punajb,	
4.Bilaspur,	13.Rajasthan,	
5.Bhopal,	14.Uttar Pradesh,	
6.Cutch,	15 West Bengal,	
7.Coorg,	16.Orissa.	
8.Madras,	17.Travancore Cochin	
9.Mysore,	18.Saurashtra.	

It would appear that all part A States except the State of Bombay have recognised the diploma. It would be greatly appreciated if your recognition is granted at an early date. Jt. Director of Technical Education, Bombay State has now doubt communicated to you that the standard of the course for All India Diploma examination in Engineering is of a very high standard comparably with that of any other University examination in Engineering.

With kind regards,

Recognition of All India Diploma in Engineering for -

Sir,

With reference to your letter No.F.22-R.O.AICTE/50, dated the 15th February 1951, on the subject noted above, I am directed to state that this Government has recognized the All India Diploma in Engineering granted by the All India Board of Engineering studies, Delhi, as equivalent to the Diploma of the college of Engineering, Poona, for the purposes of recruitment to services under it.

2. In accordance with the recruitment rule, appointments to the Gazetted posts in the B.S.E. class II are made either by direct recruitment or by promotion from a lower service. In respect of direct appointment to these posts only degree holders i.e. B.E. (Civil) of recognized Universities are held eligible for appointment as Deputy Engineers. The Diploma holders are primarily meant for sectional charges (non gazetted posts). In order to meet the increased demand, however, Government has decided to make eligible for Deputy Engineer's posts persons who hold diploma in Civil Engineering of the College of Engineering Poona, or equivalent Examination recognized by Government and who in addition have put in at least 15 years' service in the Public Works Department of this Government, and possess the requisit standard of efficiency.

3.....

3. It will be seen from the facts stated above that the Diploma in Engineering granted by the All India Board of Engineering studies, Delhi has been recognised as equivalent to the Diploma of the College of Engineering, Poona, and not as equivalent ~~xx~~ to the degree in Engineering awarded by recognised Universities.

Yours faithfully,

Sir,

Sub:- Qualifications- Associate Membership Examination of the Institution of Electrical Engineers (LONDON)-Recognition.

In 1948 this Government considered the question of recognising a pass in the Associate Membership Examination of the Institution of Electrical Engineers (London) as equivalent to the B.E. Degree in Electrical Engineering of the Madras University and finally decided that it might be recognised as an alternative qualification for posts in the Madras Electrical Subordinate Service (Non-Gazetted posts) for which the B.E.Degree in Electrical Engineering is prescribed. It has now been proposed that the above qualification may be recognised as an alternative qualification for appointment to posts in Madras Electrical Serivce (Gazetted posts) for which the B.E. Degree in Electircal Engineering is prescribed.

2. It is since understood that the Associate Membership Examination of the Institution of Electrical Engineers (London) could be obtained by a person serving an appreticeship in a recognised workshop or institution after passing some examinations. Such persons cannot, apparently, have the same grounding in Electrical Engineering which a graduate is likely to have. In the circumstances, before arriving at a decision inthe matter, this Government would like to know whether

the...-

the Bombay ~~kikx in kxxx~~ have recognised a pass in Associate Membership Examination of the Institution of Electrical Engineers (Lond) as sufficient for appointment in Gazetted posts under them. I am directed to request that an early reply may be sent.

QUALIFICATIONS - Associate Membership Examination of Institution of Electrical Engineers (London) - Recognition.

Ref:- Your letter No.685/48-E dated 16-10-51.

It has been stated in your letter cited above that mere passing of Sections A & B of the Associated Membership Examination of the Institution of Electrical Engineers (London) is however not recognised as sufficient for appointment to posts in the Government. I am to request that details as to what further qualifications and stipulations have been prescribed in this regard may kindly be intimated to this Government.

2. Please seex the O.N., dt. the 28-9-51, of the u.o.r. from the El.Engr. to Govt. thereunder, wherein it is stated that mere passing of sections 'A' & 'B' of the Associated Membership Exam. of the Institution of El.Engrs. (London) is not recognised for the purpose of apptt. as gazetted officers in the El.Deptt. In this con., the Asstt. Secy. to the Govt. of Madras, P.W.D., inquired what further qualifications xx & stipulations have been prescribed for persons passing the abeve mentioned exam. In El.Engr., who was requested to offer his remarks on this point, states that as only the Corporate Membership of the Institution of El. Engrs. (London) is recognised as equivalent to a Degree Course in El.Engrg. for the purpose of apptt. as gazetted officers in El.Deptt., the question of prescribing any further qualffications and stipulations for persons passing the Associated Membership Exam. of the Institution of Elecl. Engrs. (London) does not arise. Presumably, the person passing this exam. has also to be a Corporate Member of the Institution of El.Engrs. (London) in order to be eligible for apptt. as gazetted officer in the El.Deptt. The El.Engr, to Govt. may be requested u.o. to clarify this point.
